

Eko Bookmark

Cod.EK

Eko Bookmark is the new ecological bookmark produced in Italy. Plant the seeds in a pot and after a few days the seedlings will sprout. When they are grown enough, you can move them into a larger vase or directly in your garden to make it nicer!

Standard Customization Time 10 - 15 days

Max Printing Area 210mm x 70mm Expiry Date

18 months

21cmx7cm
